**March 16, 2026 Meeting Minutes:**

Called meeting to order by Brandon Coleman at 7:00 pm

Public Comment: N/A

Engineer: Tom Levine:

- **Flow Meter Report attached**
  - The trailer park has continuous increased flow. We will continue to monitor for the next two months then send a letter addressing the capacity after we have gathered additional documentation on the increase.
- **DCNR – Harvey Run Park**
  - Review & discussion of work to be completed in 2026
- **Sanitary Sewer Improvements – restoration contract**
  - A motion to approve contract was presented by Supervisor Clukey, seconded by Supervisor Gradel, MCU
- **Quiggle Avenue Storm Sewer**
  - Tom to provide a list and quantity of materials needed
  - The City of Lock Haven to do their portion of the work needed from Elwood to McElhattan Ave at the same time.
- **Specs for building sewer construction**
- **Grease trap requirements in the Sewer ordinance**
  - We need an updated Resolution stating the Supervisors of Castanea require any business preparing or selling food for purchase to have a grease trap which will be inspected by Clinton County and violations will be issued.

Code & Zoning Officer: Roger Hoy – N/A

Planning Commission:

- A motion to approve Resolution 2026-1 establishing three member/three year terms for the Planning Commission was presented by Chairman Coleman, seconded by Supervisor Gradel, MCU.

Recreation Committee: N/A

Old Business:

- Sewer Project Punch List: any resident with issues from the sewer project should be advised to contact Shelly so that a punch list can be put together.

- Water Street: Supervisor Clukey to follow-up with LB Water regarding the order that we never received.
- 2026 Paving Project needs:
  - Met with Terry Neff and he gave his approval to use his property for staging. He will need a curb cut.
  - We need five 1” riser rings for the manholes. Supervisor Clukey will order the new style lids that we need for the project ASAP.
- Letter to railroad for crossing at Brown Street:
  - Supervisor Clukey will contact them to request they consider improving the Rail Road Crossing.
- Spraying Township right of ways including Quiggle Avenue ditch:

**New Business:**

- Street Signs – Updating & Replacing:
  - Chairman Coleman will contact Bradco to order speed limit, no truck & no parking signs.
- Parking Issues 300 block of W. Grape Street Apartments:
  - The right side of the street needs new signs and should be changed to a fire lane/tow away zone.
  - Pine Creek Township will be doing the sweep, we need to rent the broom machine for the first weekend in April from Action Equipment.
- Supervisor Meeting Pay:
  - Add to April meeting agenda to discuss PSATS attendance requirement & meeting pay
- LHYMCA Great Island Race Series – June 27, 2026
  - A motion to approve Township usage for the race was presented by Chairman Coleman, seconded by Supervisor Gradel, MCU.
- Chairman Coleman contacted the water company regarding the paving repairs on Caroline Avenue. A motion was presented by Chairman Coleman to appoint Roger Hoy as the Paving Project Inspector, seconded by Supervisor Clukey, MCU.
  - The meeting with Jared Geist; after we sent pictures of the road repairs needed, had a crew working on the repairs immediately and will begin work on the water patches in April. Roger Hoy will spot check the work
  - Discussion on paving the parking lot at the Municipal Building – Chairman Coleman stated that the paving will be done in three parts:
    - A catch basin for water or a swale/lip on the road
    - The pavilion & parking
    - Harvey Run Park parking lot – grant proposal
- Supervisor Clukey will inspect 130 East Keller Street for repairs/new pipe where the sewer lateral was snapped off.

**Adjournment: 7:39 pm** - A motion was presented by Chairman Coleman to adjourn at 7:39pm, seconded by Supervisor Gradel, MCU.

**Upcoming Meetings:  
April 6, 2026 at 7:00pm – Board of Supervisors**
